Bookouture, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Don't you always plan the perfect Christmas? Don't you always think it will be the best one ever? And doesn't something always come along and screw it up? Katy's been stuck in the office away from her family so she wants it all: snow (fake or real), the Michael Buble Christmas album, whatever it takes. There's only one thing missing as far as her husband Ben is concerned: another baby to complete their family. But Katy isn't so sure she's ready yet. Ben may be playing the role of Master Elf in the pre-school nativity but he is struggling to master his own family life. With romantically-challenged friends, an ex who refuses to go away and Katy's mum's 64-year-old toy boy thrown into the mix, Christmas looks like it could be going off the rails. Never mind family planning, can Katy and Ben even plan to make it to the end of Christmas Day? From the no. 1 bestselling author of No-one Ever Has Sex on a Tuesday, this book will make you cry with laughter, and then book your flights abroad for the festive season. Perfect for fans of Marian Keyes, Sophie Kinsella and Milly Johnson. Praise for Tracy Bloom: I utterly adored this book. It's extremely funny and has your eyes bulging out in excitement waiting for the next page. It's emotional in every different way possible and really will have you not wanting to put it down. The Book Geek Wears Pyjamas, 5 stars This has to be one of my favourite and most memorable books I've read this year. Book Drunk, 5 stars Wow! a real page...
