Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

PAUL AND VIRGINIA

Peter Owen Publishers, United Kingdom, 2005. Paperback. Book Condition: New. New edition. 194 x 128 mm. Language: English . Brand New Book. First published in 1788, this is the classic of naive love that inspired the film The Blue Lagoon. Jacques-Henri Bernardin de Saint-Pierre s only novel is a classic of naive love. First published in 1788 to wide acclaim, it subsequently appeared in hundreds of editions throughout the world and influenced a generation of French writers, from George Sand and Lamartine to Balzac and Flaubert. In modern times it has inspired major musicals, artworks, a hit song by Celine Dion, and even a chain of luxury hotels on Mauritius. Bernardin was inspired by his friend Rousseau to tell the story of two children who grow up entirely according to nature s laws on an idyllic island free from the corrupting influence of the world. They reach adolescence and fall in love, but tragedy strikes and both die untimely deaths. A key text in the development of the novel, this is a must for anyone interested in the history of European literature.
