ANGEL WHISPERER S ANGELS AND QUANTUM PHYSICS: USING THE UNIVERSE TO EMPOWER YOUR LIFE AND ATTRACT YOUR DESIRES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Quantum Physics, as a scientific principle proves the existence of things we can not see or understand and that the world around is is not solid, or static, but rather everything consists of vibrating energy. Everything we see that appears to be solid and static, at the microscopic level, really consists of vibrating energy. Everything, a rock or a steel girder, or a table consists of microscopic vibrating energy! Your entire body is vibrating energy. Your every thought gives off a vibrational energy that is sent out into the universe and attracts what you are thinking. good or bad, the universe can not tell what it is, so be careful what you think about as it will come to you! Stop thinking about how bad your situation may be, as the things you fear will be attracted to you. See yourself as happy and successful, and you will attract the things you think about. The Law of Attraction allows you to reach out into the Universe and allows you to ask your desires. yes ask what you desire and harness your desires! The more you learn about the non-material realm, the more you will be able to tap into the power you hold with your every thought. This book will guide you in connecting with the vibrational energy around you and teach you how tap into the Angels that are abundant throughout the universe. You can harness the power of your thoughts to bring to yourself the things you think about - be careful, since you may also bring negative thoughts and ideas as well. The universe is unable to tell the difference between good things you may be thinking about,...
