Ys Gazelle, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sunnyvale Mental Rehab in Fermonga, Ohio decided to fund a written collage of in-patient work. Dennis Latham, a former Sunnyvale resident, completed a dangerous mental quest to bring this strange and psychotic funny volume to print. Mr. Latham, Bill Gump, Coochie Butler, and others give bizarre views on unanswered questions (Ask The Genius and Smart Guy With A Big Old Brain), write questionable novels (Excerpts From Books You ll Never Read), poetry (Homer VanCleish), several short stories, a radio play (The Bump), unique social views, college Cliff Notes (Moby Dick), and other ramblings (The Dangerous Mutant Fern). You may wonder how these people functioned before being confined at Sunnyvale, and if they really exist outside the author s delusions. This book makes defies category.
