Workman Publishing, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Change is not merely necessary to life--it is life. That s Alvin Toffler, characteristically stating the profound in a profoundly direct way. And yes, even when we see change coming--as we re about to graduate from school, take a new job, get married--it s still not so easy to accept. And when we don t see it coming--oof, we have an even harder time. Here to help us embrace change and defuse its unsettling power is Change Happens, a full-color illustrated gift book to consult, to share, to give, and to keep on a night table. Arranged alphabetically by subject--including Adapting, Curveballs, Faith, Letting Go, Regrets, Second Chances, Vulnerability--it s a book to turn to in moments of need, when offering advice to a friend or loved one, when urging a child to find the courage to take a step, when marking an important occasion: Change before you have to. --JACK WELCH Change is not merely necessary to life -- it is life. --ALVIN TOFFLER Take all the rules away.
