DOLLY S POETRY EMPORIUM FOR KIDS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book of poems is for children aged between approximately 12 and 16. Poems which have been carefully chosen from the author s collection, to inspire, spark the imagination, inform, entertain and woo the reader into the poetic world of rhyme. From light hearted stories about animals and nature, to the more serious subjects of war and famous historical figures that have shaped our world. Much of this poetry is drawn from personal experience, especially the places the author has visited. A sense of humour is essential in life, and when we laugh, we also learn. These poems will encourage you to be more aware of your surroundings, and maybe take on the challenge of writing poetry from your own life experiences. Wise words have been written by poets for centuries, and there are some valuable life lessons delicately woven into poetry inside this book. Poems to lift your spirit, resonate deep, awaken senses, and sooth your soul. From the funny to the harsh; fantasy to reality. Remembering our history and appreciating nature and beauty in our own back yard, and around the world. We all leave our mark on life, no matter how insignificant we think it is, we change history in our own small way, leaving behind our footprint. In all cultures, emotions are universally recognised, we all have the same basic feelings. We are individuals with opinions that make us who we are. To be human is to err. We make a difference, even when we stumble. Even if you have read very little poetry, these poems will help you remain steadfast and strong, make you laugh and sometimes cry. The author invites you to lose yourself in her...
