Reviews

Very helpful to all of class of folks. This is certainly for all who statte there had not been a worthy of studying. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jayda Lehner Jr.)

LEVITICAL SACRIFICE AND HEAVENLY CULT IN HEBREWS

[DOWNLOAD PDF](#)

Walter De Gmbh Gruyter Jun 2016, 2016. Buch. Condition: Neu. Neuware - This monograph examines Hebrews' understanding of the relationship between old covenant sacrifices and Christ's new covenant sacrifice, especially as it relates to the question of efficacy. Most scholars think the author of Hebrews strips the levitical sacrifices of most, if not all, efficacy, but this work affirms a more positive depiction of the levitical sacrifices. A mystical apocalyptic tradition stands behind Hebrews' description of the heavenly cult, which establishes the framework for relating the levitical sacrifice to Christ's sacrifice. The earthly, levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ. Still, the author of Hebrews develops the notion of the heavenly cult in unique ways, as Christ's sacrifice both validates the earthly practice but also, due to his new covenant theology, calls for its end. Ribbens' bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition, highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked, and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult. 297 pp. Englisch.
