Physical Medicine and Rehabilitation Patient-Centered Care: Mastering the Competencies (Paperback)

By -

Demos Medical Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Built around the six core competencies for physicians practicing rehabilitation medicine as required by the ACGME, Physical Medicine and Rehabilitation Patient-Centered Care: Mastering the Competencies is a unique, self-directed text for residents. Covering all aspects of patient-centered care in the practice of physical medicine and rehabilitation, the book provides a competency-based approach to topics and conditions commonly encountered in this specialty. Thoughtfully organized chapters offer easy-to-access clinical content for all major practice areas, and the book's competency-based goals and objectives also serve as a clear platform for educating physiatrists in training during their clinical rotations. The first part of the book presents the foundations of the core competencies (medical knowledge, professionalism, patient care, practice-based learning and improvement, system-based practice, and interpersonal and communication skills) with basic principles for application, and also includes chapters on implementing educational Milestones, core professional education principles, and building leadership skills. In the second part, experts in the field apply these core competencies to the management of common conditions including stroke, spinal cord and brain injury, amputation and prosthetics, musculoskeletal disorders, multiple sclerosis, and much more. Each of these chapters identifies goals...
