

U.S. Climate Finance: Niger (Paperback)

By U S Department of State

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The U.S. Agency for International Development (USAID) is investing \$2.7 million in the development of a new climate change program in West Africa. This program will be based on a synthesis of vulnerability assessments and climate change research conducted in West Africa to identify areas that are particularly vulnerable to climate change and have the greatest potential to reduce greenhouse gas emissions from land-use change. Program activities will increase access to science and information for decision-making, improve governance surrounding climate change and land-use change, and increase the resilience of targeted communities to climate change impacts.

Reviews

It is one of the best publications. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.
