As your child learns to read, he or she should also develop comprehension skills. Of course, like any other skill, comprehension requires practice. For this reason, you may consider adding comprehension to your homeschool program lineup. Modern Curriculum Press (MCP) Comprehension Plus is a curriculum for homeschooling that helps your child grasp the important strategies he or she will need to use to comprehend written texts. With direct instruction, hands-on activities, and opportunities for both reading and writing, MCP Comprehension Plus is the perfect guide for you and your child.
