There, in the Court of Chancery, he publicly accepted the office of Lord Protector. Then he was sworn, and the City sword was handed to him, and the seal was handed to him, and all the other things were handed to him which are usually handed to Kings and Queens on state occasions and handed back again. When Oliver had handed them all back, he was quite made and completely finished off as Lord Protector; and several of the Ironsides preached about it at greatlength, all the evening. THE MODERN PRACTICE OF PHYSIC. Nmnznous intro ductory lectures were delivered in the various hospitals of London on the first and third days of October, at the commencement of the winter session. I have been reading them, and desire leave, as an apothecary of the world, to add one more lecture to the number. Prelections to the student let there always be. Fill his mind with a sense of the duties he will take upon himself when he becomes practitioner of physic. But I am very strongly of opinion that there is an oration due also to the patients upon whom he is hereafter to practise, and I ask permission forthwith to discharge the debt. Ladies and gentlemen, the lecture-rooms of the medical schools in this metropolis are now filled with ounge men well or...
