Introduction to Biblical Studies (Paperback)

By Steve Moyise

Bloomsbury Publishing PLC, United Kingdom, 2013. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. This is an ideal introduction to modern biblical studies. Readers are introduced to questions of inspiration, canon and authority. This is followed by chapters on historical approaches to the Bible, such as source, form and redaction criticism. Comparisons with other literature, such as ancient flood stories or Egyptian psalms help to set the context for this. Moyise also asks such questions as How did we get the Bible? and, why do modern versions of the Bible differ among themselves? Moyise considers a number of approaches to the Bible. Beginning with literary criticism, he shows how texts speak to readers and influence their attitudes, emotions and behaviour. This is followed by liberation, feminist and finally a variety of theological approaches used by those who consider the Bible to be sacred scripture. For the third edition Moyise has added two sections, one giving a basic outline of the biblical story together with a timeline and key dates, and another on dating the New Testament.
