Money 2.0: How Reinventing Money Can Preserve Liberty, Fight Income Inequality, and Make the Free Market Flourish

By David Conger

Cognisaya, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Our Money is Broken We live in an unsustainable economic and political environment. Money and power are concentrating from the many to the few. We are losing our Constitutional freedoms at a horrifying rate. The root cause of many of the problems in our civilization is that our money itself is broken. Our money and banking systems were invented centuries ago by elites who wanted to enrich themselves and consolidate their power. The systems they invented still do that today. Because most of us do not understand economics, we don't even know we're being ripped off. But the basics of economics are straightforward. Anyone can grasp them, as this easy-to-read book proves. The New Big Bang In 2009, a new technology was quietly released that is as pivotal as the invention of the Internet itself. This technology is the blockchain. Even today, few people have heard of the blockchain. But it will change the lives of virtually everyone on this planet. The first implementation of the blockchain was Bitcoin, a form of digital cash. But the...
