Brand New Book ***** Print on Demand *****.The theory and practical Technique explains the adrenaline connection to sickness and obesity. It is also a significant breakthrough in alleviating and even curing the various forms of stress and anxiety that affect society today. Stress is a modern day epidemic it does not discriminate. Adrenaline addiction is the enemy. It causes us to become both sick and obese. This book can change your life. I think the stress factor is probably in one way or another responsible for fifty percent of other symptoms a patient presents with. I have long believed that breathing played a major part in therapy. Dr. John Knight, AM.
