

Patton and Rommel: Men Of War In The Twentieth Century

By Dennis Showalter

Berkley, U.S.A., 2005. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. A dual biography of the two World War II generals who changed warfare-and history-forever. General George S. Patton and General Erwin Rommel: They served their countries through two World Wars. Their temperaments, both on and off the battlefield, were overwhelmingly contrary-but their approach to modern warfare was remarkably similar. Written by a prominent military historian, Patton and Rommel takes a provocative look at both figures, intertwining the stories of the paths they took and the decisions they made during the course of the Second World War-and compares the lives and careers of two men whose military tactics redirected the course of history.
