Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Proceedings of the California Pharmaceutical Society and College of Pharmacy, for the Years 1883 and 1884: Also Proceedings of the Alumni Association The following pages contain a condensed report Of the proceedings Of the California Pharmaceutical Society and College of Pharmacy for the years 1883 and 1884. Several causes combined last year to prevent the usual publication from appearing at the proper time so it was deemed best to wait until the proceedings of two years could be issued together. While it will be felt that a few Of the articles have lost some of their freshness by the delay, it will yet be seen that thoughtful, painstaking work is being done by some Of our members all the time, and that their work deserves to be known far beyond the limited circle that is privileged to attend the various meetings here recorded. It is hoped that a perusal Of the papers will stimulate other pharmacists to make similar contributions, whether of a strictly practical or more abstract, scientific character. As the college enlarges its plans for more effective teaching from year to year, it makes an increased draft upon the services Of our city members. A reference to the thirteenth lecture Announcement, just issued, will show that the entire Board of Trustees and several of the more active Of the Alumni will be called upon during the Lecture Session Of 1885 to devote some of their time to the work Of instructing the younger members Of our profession, by assisting the Faculty in the Preliminary, Periodical, and Final Examinations, and in the Quiz Classes. The work thus done will not impress outsiders as forcibly...
