Joan Maguire, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Legally I can not use Lyrics or Music because of Copyright but I can use song titles so in the creation of this book I have used 1776 of Elton John s song titles (Italicized) to make this futuristic story possible. Also due to the nature of my book; legally I must place a Reference (exactly as it is down loaded) and a Bibliography at the end of the story. Earth is over populated so people are now living on the moon and other surrounding planets but the crimes have changed and different Authorities on each planet need help to keep crime in check. On one planet a new type of criminal has started to try and manipulate the Universe and his first target is women. The Universe Enforcement Agency need help and calls in an old established P.I. agency with agents scattered across the Universe to help them but a green mist that looks just like strange rain affects some of the female agents as well as most of the other women who are not undercover. Two of the agents Little Jeannie and Tiny Dancer are helped to safety at the same time by a man with blue eyes but how can the same man be in different parts of the Universe at the same time or are there two men who look identical. Find out how the women are affected and how does the agency solve the green mist mystery and capture the criminals.
