Ponui Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just as you see more of Nature when you are quiet-you discover more of your own sexual-emotional depths when you become more still. In Slow Love: A Polynesian Pillow Book, you will discover a more pacific, unifying approach to passion. James N. Powell s writings on Polynesian lovemaking have been warmly embraced in Japan, where they sparked the Polynesian sex vogue. Inspired by Powell s writings, Hiroyuki Itsuki, Japan s uber author and Buddhist thinker, penned two volumes on South Seas sensuality. Also, Kunio Kitamura, Head of Japan s Family Planning Association, enthusiastically promotes Powell s thoughts on Polynesian-style passion as a way for couples to deepen sexual sensitivity and fulfillment. He writes: Polynesian sex.involves taking a long time.and.allows energy in the form of weak electromagnetic waves-similar to the concept of ki-to flow, building up to create large waves that encompass the entire body and bring enormous pleasure and happiness.
