TEN BIRTHDAYS: AN EMOTIONAL, UPLIFTING BOOK ABOUT LOVE, LOSS AND HOPE (PAPERBACK)

Bookouture, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are going to be so many things I wish I could've told you in person, Poppy. I won't get the chance to do that, so perhaps this is my only way. It's Poppy Kinsey's birthday. She should be blowing out candles and opening presents - but hers falls on the type of heart-wrenching, agonising anniversary she would far rather forget. The worst day of them all. The day her mother died. But this year is special because the person she misses most in the world has left her a set of letters, one for each of her next ten birthdays. As Poppy opens them year by year, she discovers that no matter how tough life gets, her mum will always be by her side, guiding her along the way. Fans of Cecelia Ahern and S.D. Robertson will love this page turning tear-jerker about making every moment count. Read what everyone is saying about Ten Birthdays: This is one of those books you read that you won't forget anytime soon. a very heartfelt book that goes through a gambit of emotional highs and lows.
