There is no possibility of keeping people alive, under the present trends of conditions, Lyndon LaRouche warned in a discussion with the LPAC Policy Committee today, emphasizing that the collapse of the international financial system of which he had warned in mid-December, is fully underway. Your economic policy of the United States, and of the British Empire in general, demands the immediate mass genocide of the people of the trans-Atlantic community, LaRouche stated. That's a fact! If we expose that now, we still have a last moment of chance to reverse that effect by shutting down Wall Street and removing Obama from office. The fact is, that every single dollar of Wall Street's \$2 quadrillion speculative bubble is totally worthless, and must be wiped off the books without recompense. Otherwise, under the bail-in policy now being implemented, everything you and your family may have-savings, pensions, food, health care, jobs, homes, everything-will be seized in the name of protecting the criminal British Empire system which created that speculative bubble. Therefore, Wall Street has to be shut down now, LaRouche insists, and Franklin Roosevelt's Glass-Steagall law reinstated. That then has to be followed up with a supporting action, a Franklin Roosevelt solution, to organize mass funding for people who have lost their sources of income; for people who have been tortured to death by lack of food...
