Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here is a truly original thriller, comparable to the very best of vintage Le Carre. Against a backdrop of the Cold War in the 1960s, an abiding love develops between Kate, while still the young wife of an East German official, and an American physician innocent of who she is and what she is doing. In the remarkable climax to her years of plotting against the head of the State s secret police, she finally must risk not only her own life but her son s and lover s as well. (From the original hardback edition) DEATH MATE To kill the man who had killed so many, Kate would do anything. She would use her brain to work herself to the top of her profession.
