BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Wry, absurdist, and pleasantly cynical, Battersby's [novel] will appeal to fans of Scott Lynch's *The Lies of Locke Lamora* and Terry Pratchett's *Going Postal*. --Publishers Weekly (starred review) Find the dead a King? Tick. Save himself from a fate worse than death? Tick. Win the love of his life? Tick. Live happily ever after.ah. Having achieved so much, Marius don Hellespont was finding life just a little boring. But now something, or maybe someone, has stopped the dead from, well, dying. So wouldn't you know it, it's up to Marius, incorrigible sidekick Gerd, and Gerd's not-dead-enough Granny, to journey across the continent and put the marching dead back in the afterlife, where they belong. Great characters, story, pace, writing. --British Fantasy Society.
