

Dada and Surrealism: A Very Short Introduction

By David Hopkins

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Dada and Surrealism: A Very Short Introduction, David Hopkins, The avant-garde movements of Dada and Surrealism continue to have a huge influence on cultural practice, especially in contemporary art, with its obsession with sexuality, fetishism, and shock tactics. In this new treatment of the subject, Hopkins focuses on the many debates surrounding these movements: the Marquis de Sade's Surrealist deification, issues of quality (How good is Dali?), the idea of the 'readymade', attitudes towards the city, the impact of Freud, attitudes to women, fetishism, and primitivism. The international nature of these movements is examined, covering the cities of Zurich, New York, Berlin, Cologne, Barcelona, Paris, London, and recently discovered examples in Eastern Europe. Hopkins explores the huge range of media employed by both Dada and Surrealism (collage, painting, found objects, performance art, photography, film), whilst at the same time establishing the aesthetic differences between the movements. He also examines the Dadaist obsession with the body-as-mechanism in relation to the Surrealists' return to the fetishized/eroticized body. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are...
