EARLY MODERN CHINA AND NORTHEAST ASIA: CROSS-BORDER PERSPECTIVES (PAPERBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. In this revisionist history of early modern China, Evelyn Rawski challenges the notion of Chinese history as a linear narrative of dynasties dominated by the Central Plains and Hans Chinese culture from a unique, peripheral perspective. Rawski argues that China has been shaped by its relations with Japan, Korea, the Jurchen/Manchu and Mongol States, and must therefore be viewed both within the context of a regional framework, and as part of a global maritime network of trade. Drawing on a rich variety of Japanese, Korean, Manchu and Chinese archival sources, Rawski analyses the conflicts and regime changes that accompanied the region s integration into the world economy during the sixteenth and seventeenth centuries. Early Modern China and Northeast Asia places Sino-Korean and Sino-Japanese relations within the context of northeast Asian geopolitics, surveying complex relations which continue to this day.
