GHOST STORIES 2 DIE 4

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here are 14 short stories, some humorous, some a little unnerving. There is nothing here that will keep you awake at night other than your need to just keep reading. Some Memories Never Fade is a touching story of young love whilst The Final Sleep takes you back to Roman times. Several of these stories have nice little twists at the end and, hopefully, you will be surprised with the outcome. The Standing Stone and Finders Keepers will, I hope, make you think about what you have just read. After all, it is your imagination that makes you realise that everything is not always as it seems.
