Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Maya are an indigenous people of Mexico and Central America who have continuously inhabited the lands comprising modern-day Yucatan, Quintana Roo, Campeche, Tabasco, and Chiapas in Mexico and southward through Guatemala, Belize, El Salvador and Honduras. The designation Maya comes from the ancient Yucatan city of Mayapan, the last capital of a Mayan Kingdom in the Post-Classic Period. The Maya people refer to themselves by ethnicity and language bonds such as Quiche in the south or Yucatec in the north (though there are many others). The Mysterious Maya have intrigued the world since their discovery in the 1840 s by John Lloyd Stephens and Frederick Catherwood but, in reality, much of the culture is not that mysterious when understood. Contrary to popular imagination, the Maya did not vanish and the descendants of the people who built the great cities of Chichen Itza, Bonampak, Uxmal and Altun Ha still exist on the same lands their ancestors did and continue to practice, sometimes in a modified form, the same rituals which would be recognized by a native of the land one thousand years ago.
