This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

RAISING A MOODY CHILD: HOW TO COPE WITH DEPRESSION AND BIPOLAR DISORDER (PAPERBACK)

Guilford Publications, United States, 2004. Paperback. Condition: New. New. Language: English . Brand New Book. Every day can be an ordeal for families struggling with the difficult, moody, impossible behavior that may point to childhood depression or bipolar disorder. Effective help for kids does exist, but it often requires a customized combination of medication, therapy, coping skills, and support. From esteemed clinician and researcher Dr. Mary Fristad and fellow treatment expert Dr. Jill Goldberg Arnold, this indispensable book explains how treatment works and what additional steps parents can take at home to help children with mood disorders--and the family as a whole--improve the quality of their lives. Explained are why symptoms look so different (and can be so much harder to manage) in children and teens than in adults, how to find the right doctor or therapist, and how to help kids develop their own coping toolkits. Bursting with practical tools, FAQs, and examples, the book covers everything from dealing with medical crises to resolving school problems, sibling conflicts, and marital stress.
