Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever imagined what it would be like to be magically transported into a video game? Jason is just your average kid who plays video games, lots of video games. With a sword in his hands he spends hours fighting the hideous monsters that inhabit his favorite video game world. He is brave and fearless! All of that is about to change when he is somehow magically transported Into the Game. Amber spends her free time building awesome structures in the game world. Her creations are always big beautiful buildings that stretch to the sky. They are admired by everyone who finds them on her server. She has no need for a bow and arrow or a sword, but all of that is about to change when she gets magically transported Into the Game. What brought them Into the Game and why? Will they be able to survive the hoards of skeletons, zombies, monsters and the Zombie King? Will they make it through their first night in the game?.
