If you want honey, prepare to get stung. - October 1907, Honeyhill Twenty years into the zombie Plague Victor is a man of delicate sensibilities, not fit to do backbreaking labour on a farm ran by the mob. Upon arrival in Honeyhill, he decides he needs an anchor, an alliance with one of the guards, if he wants to survive. That anchor comes in the form of Crunch, a hunky ex-sailor with a pair of tight leather trousers and a ruggedly handsome face. But from day one, Victor knows he won t last long with the hard physical work assigned to him and the torment he suffers at the hands of a sadistic guard. He needs to run, and his new alliance might prove to be a burden instead of solace. If Crunch wants Honeyhill liberated, he needs to focus on his job, not on protecting Victor, one of many new arrivals on the farm. Distraction is the last thing he needs after months of undercover work. But it s hard not to get seduced by Victor s big brown eyes and fingertips that don t know work. Hundreds of people depend on Crunch keeping his identity a secret, revealing it could be fatal for both him and Victor, and a failure of his mission. Thankfully, Victor would never be dumb enough to try and escape through a forest that s swarming with zombies. Would he? *** Stung is a standalone book and a part of the Zombie Gentlemen universum.
