Susana Costa, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This work offers you an opportunity to revolutionize your life from inside out, affecting every area of your life. With it you will go deeper in your understanding of who you are, the power you have to create and choose realities-even the outrageous ones-how to heal yourself, reorganize your brain, achieve your goals, stay tuned with your soul, and much more. The book links science, spirituality, healing and self-improvement, in a very engaging manner. Examples of scientific experiments and real life stories lead us to rethink and abandon obsolete beliefs, limitations, negative emotions and unconscious habits, and to use our full potential to realize ourselves and have a positive impact in the world. In this work you will recognize your true nature - a creating consciousness. You will understand how your consciousness affects matter, space and time, and how it performs big and small miracles in our day-to-day lives and alters the energy of the planet. You are going to rediscover a profound connection with the universe and all of life, enabling you to move with ease and achieve. Truly understand yourself as a multidimensional and multisensory being, and go beyond your normal capacities, using your sixteen senses. They are our Quantum GPS, always enabling us to sense and communicate with others and with everything. Moreover, the knowledge and practice of the Code of Creation, the language of creation, opens up new doors of awareness, freedom, self confidence, healing and power, empowering us all to build up a new way of being as unlimited beings and fulfilling our true place in our lives, the planet and the universe. The audience for this book is people who want to revolutionize their lives. It could be...
