Come out of her, My people is a breakthrough interpretation of Revelation that connects John's prophecy with actual places and events of our time. According to Jesus; persecutions, betrayals, false prophets (such as The False Prophet), and lawlessness will occur between the beginning of sorrows and the great tribulation . The Olivet Discourse warns Jesus disciples in order to prepare them for the troubles ahead. But as these sorrows begin, many Christians will be unprepared and disillusioned when they realize that the rapture might not spare them from these difficulties. In fact some plagues that could be avoided will overtake those who fail to respond to God's warning to come out of her, My people A Must Read for every American Christian. Steinle includes charts and time lines that explain his progressive views on Revelation.
