Jenntangled Coloring Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jen Kau s latest Mandala Mayhem book is 50 pages of guilty pleasure! All of these visually appealing mandalas are hand drawn to delight the eye, intrigue the senses, and have the added bonus of a cunningly chosen cuss word concealed within their architectures. Each drawing is constructed with a symmetry designed to bring a sense of calm and peace as well as the secret satisfaction of saying exactly what you want to say after a day of frustration - without actually saying it. Using your own sense of style and shading, each mandala can be colored to make the swear word as obvious or as inconspicuous as you desire. Go ahead and give in! Let these pictures be worth a thousand words - or at least a single really good one.
