Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Wars of aggression waged by ostensibly democratic governments of the Western world destabilized the Middle East and North Africa. The use of drone strikes and weapons of mass destruction against the civilian population of these areas reeks of genocide. Violence is further stoked up by military and financial support of Islamic terrorists and authoritarian rulers by the international community. Due to enduring wars and bleak future prospects, many who are affected set out on the perilous journey towards Europe. They are joined by freeloaders from relatively safe countries that aim for a higher standard of living in the wealthier nations of Europe. Encouraged by relatively open borders, jihadists creep into the European mainland. Europe appears to be overwhelmed by the sheer number of refugees, migrants and terrorists that sweep into Europe as part of a modern mass migration. Violence in refugee camps and at border crossings appears to be daily fare. The apparent criminal energy of new arrivals incites fear among Europeans. Many are critical of the asylum policies of their governments and are in turn branded xenophobes by the media, politicians and do-gooders. Racists take advantage of the heated atmosphere by grabbing for votes among the concerned and alienated. In this explosive environment, democratic societies must respond with prudence and strength. An understanding of the mechanisms and forces at work-whether they be religious, political, economical or other-is urgently needed. Men and women of good will must face the reality of what is happening in order to prevent chaos, hostility and degradation. Resources need to be generated to provide, integrate, repair and thrive. Some are widely unknown, despite their accessibility and proven practicality. Others are...
