

The Practical Guide to Using Ancient Runes for Modern Divination (Paperback)

By Dayanara Blue Star

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Runes are an ancient method of divination that still remain popular and useful today. Many people find them intriguing, because of their unique history and specific means of divination. Unlike fortune telling, runes are used to delve into a person's subconscious, and explore their true desires. They can be a wonderful aid in meditational practice, gaining self-awareness, or just getting some more perspective on various situations in your life. To people unfamiliar with divination tools, it may seem like some kind of spooky magic trick, witchcraft or even something demonic. None of those descriptions are accurate, and actually, runes encourage a person to explore their own mind and gain self-introspection. Initially part of an ancient Germanic alphabet, Runes have existed for hundreds of years. Versions of runes have been found in many different cultures all across the world, with stones created in a multitude of alphabets and designs. Simply put, runes are an old relic that has survived the test of time and is still proven useful today. The stones are a simple oracle which one can use...
