In the Garden Publishing DBA What Would Love Do in, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christine Horner's down to earth exploration of what God might be is a revelation and a relief. Revealing because it connects the dots between all of the religious figures I have so admired but who are often portrayed as exclusive to the religion that has adopted them, and revealing in the sense that it demystifies in an impersonal way the universal question of if there is a God . It's not arbitrary or a leap of faith that requires complex thought processes, which is one of the things I most enjoy. Mike Alexander, New Zealand, Stuff.co.nz Book Reviewer I have read more books than I can count, including The Secret and The Power of Now. I have been inspired by most of the books I have read but I need not search any more because What is God? Rolling Back the Veil is by far the best out there. Harry Shaw, Author of Confronting Demons NOMINATED FOR THE 2014 DAYTON LITERARY PEACE PRIZE -- Thousands of years into human history, though we've advanced technologically as a species, very little has been resolved in regard to humanity's existential dilemmas . . . UNTIL NOW. Something miraculous is happening. The invisible is becoming visible. Human consciousness is taking a quantum leap into territory previously unknown. In this provocative book, you are asked to let go of your culture and conditioning. To understand our external world, it is time to inquire within and explore the mystery anew. WHAT IS GOD? MERGING SCIENCE SPIRITUALITY: - The Unifying Theory of Everything - Science, Religion and the Brain - Who You Are and Your Purpose...
