Black and White Racial Identity: Theory, Research and Practice (Paperback)

By Janet E. Helms

ABC-CLIO, United States, 1993. Paperback. Condition: New. New edition. Language: English . Brand New Book ***** Print on Demand *****.This book examines the major theories of Black and White racial identity. Moreover, theoretical perspectives that were originally developed to describe social fomentation have been updated and expanded to explain the role of racial identity in counseling dyads, social relationships, and groups. Measures for assessing racial identity are described. Original research addresses the relationship of racial identity to other personality characteristics such as value orientations, decision-making styles and counseling process variables such as satisfaction, counselor strategies, and client reactions. Part 1 presents basic racial identity theory and measurement issues as they pertain to individuals and intergroup functioning. Ideally this material will be useful to persons who are seeking a basic introduction to Black and White racial identity theory. Part 2 introduces empirical attempts to examine the correlates of racial identity. This section is primarily intended for the reader who is interested in generating research questions and/or evaluating some of those that already have been generated. Part 3 includes speculative and empirical chapters that study the influence of racial identity on everyday interactions. This material also describes the influence of racial identity...
