

Burn Pits: The Poisoning of America s Soldiers

By Joseph Hickman

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Thousands of American soldiers are returning from the battlefields of Iraq and Afghanistan with severe wounds from chemical war. They are not the victims of ruthless enemy warfare, but of their own military commanders. These soldiers, afflicted with rare cancers and respiratory diseases, were sickened from the smoke and ash swirling out of the burn pits where military contractors incinerated mountains of trash, including old stockpiles of mustard and sarin gas, medical waste, and other toxic material. Based on thousands of government documents, over 500 in-depth medical case studies, and interviews with more than 1,000 veterans and active-duty GIs, The Burn Pits will shock the nation. The book is more than an explosive work of investigative journalism - it is the deeply moving chronicle of the many young men and women who signed up to serve their country in the wake of 9/11, only to return home permanently damaged, the victims of their own armed forces criminal negligence.

Reviews

Thorough guide for pdf enthusiasts. Better than never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.

-- **Dr. Rowena Wiegand**

This publication will be worth purchasing. It typically is not going to cost a lot of Its been designed in an exceptionally straightforward way and it is just following i finished reading through this pdf through which actually changed me, change the way i believe.
