Culture and Identity through English as a Lingua Franca

By Baker, Will

Condition: New. Publisher/Verlag: De Gruyter | Rethinking Concepts and Goals in Intercultural Communication | This series welcomes book proposals detailing innovative and cutting edge research and theorisation in the field of English as a lingua franca (ELF). The purpose of the series is to offer a wide forum for work on ELF, including aspects such as descriptions and analyses of ELF; ELF use in a range of domains including education (primary, secondary and tertiary), business, tourism; conceptual works challenging current assumptions about English use and usage; works exploring the implications of ELF for English language policy, pedagogy, and practice; and ELF in relation to global multilingualism. | The use of English as a global lingua franca has given rise to new challenges and approaches in our understanding of language and communication. One area where ELF (English as a lingua franca) studies, both from an empirical and theoretical orientation, have the potential for significant developments is in our understanding of the relationships between language, culture and identity. ELF challenges traditional assumptions concerning the purported "inexorable" link between a language and a culture. Due to the multitude of users and contexts of ELF communication the supposed language, culture and identity correlation, often...
