Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Augustine Pfannerstill)

FUNDAMENTOS DE MARKETING

ED. UNIVERSITARIA RAMÓN ARECES, Madrid. Rústica. Book Condition: New. Dust Jacket Condition: Nuevo. 1. El libro sigue en sus ocho primeros capítulos una ordenación y estructura clásicas: cuestiones de concepto primero, análisis de los mercados, de la demanda y de la segmentación después, y finalmente las estrategias relativas a los diferentes instrumentos de marketing. Entre las dos opciones posibles con respecto al lugar en que incardinar la visión estratégica global de las actividades comerciales hemos elegido la de postergar su inclusión hasta el capítulo 8, cuando el lector haya concluido por su cuenta muchas de las cosas que en ese capítulo se relatan de forma sólo más estructurada y sistemática. En todo caso, en el capítulo 1 hay ya una introducción a estas cuestiones.
