D: Late One of the Censors of the College of Physicians of Philadelphia, Emeritus Professor of Materia Medica and Pharmacy in the University of Pennsylvania, Etc From Mr. White s school, Mr. Carson entered (at the age of fifteen years) the Sophomore Class of the University of Pennsylvania, at this time under the presidency of the Rev. Frederick Beasley, D.D. The early part of his collegiate life was somewhat ruf ed, from his not being as well pre pared as he should have been, and his having to relearn his Latin pronunciation, that which had been taught him at school differing from that accepted at college. This annoyed him greatly. Nor did he, at best, much relish his academic career, and probably would not have pursued his studies here had it not been for the persistent efforts of a devoted aunt, who helped and encouraged the young student. Having resolved on this course, he showed, as he did through out his life, a determination to do his part faithfully, and to strive for excellence; so that, with close application to his books for three years, he graduated with honor, and received his diploma as Bachelor of Arts, on July 27, 1826.
