

Mysteries of the Strawberry: The Best Little Parenting Book You Will Ever Eat! (Paperback)

Filesize: 4.65 MB

Reviews

An exceptional book and also the font utilized was intriguing to read. This is for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Tyson Hilpert)

(PAPERBACK) book.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mystery. Paradox. Irony. These are the real words of parenting children from birth to adult. Christian parenting is not as straightforward as we had hoped. Mysteries of the Strawberry combines the eternal principles of the Bible with the ancient Laws of the Harvest to reveal surprising mysteries of parenting. The author is a parent of 4 and uncle to 30, but he is also an educator who has been trained by 100s of students every day for nearly 30 years. This intense and personal observation of child development through the eyes of a passionate Bible believer with an understanding of farming has been God's gift to him to help his own family and yours to know how to train children biblically. Each chapter of Mysteries of the Strawberry begins with the musings of the Old Farmer who matter-of-factly goes about growing strawberries with 100 reliance on the ancient Laws of the Harvest. Then the chapter transitions to the real-life struggles of modern day parents who by God's grace come to rely on the eternal principles of God's Word (informed by the facts of farming). The author's constant use of Scripture highlights what God is saying to parents. In this book, parents find that we need to prepare the child for the path, not the path for the child; that we have 100 duty to train, but 0 control of the outcome; that we can find our deepest joy in even our worst day of parenting; that we grow our strongest children out of the home by letting go as early as we can in the home. and much, much more. The book is filled with real-life examples...
