

A View of the Rights and Wrongs, Power and Policy, of the United States of America (Classic Reprint) (Paperback)

By Charles Jared Ingersoll

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A View of the Rights and Wrongs, Power and Policy, of the United States of America Coffee, sugar, tea, tobacco, cotton, rice, peltries, and even ginseng and ?axseed, with a prolific et caetera of minor articles, have become as necessary to the comfort of mankind as ?our, Wine, and oil to their subsistence. With the former, the world has but a late acquaintance and, constituting, as they do, so material a portion of food, and so delightful a part of raiment, it cannot be surprising that commerce should amplify in proportion to their demand and usefulness, or that every region should be explored to procure them. With 1200 miles of sea coast on the east, and a chain of corresponding lakes and navigable waters on the west, wanting almost-cverythiig Eumpe can afford, and with the ability to supply almost every thing Europe can desire, it would seem as if nature had designated the United States for a great commercial empire. The prodigious and unexampled progress this country has made in prosperity, population, and power, since the adoption...
