

Timberland Voyage: Tree Abstract Symmetry Art Photography (Paperback)

By John D Williams

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Timberland Voyage uses the single aspect of trees as the core of the art photograph book. Each image within the book falls into three distinct and separate categories as to how it manipulates the woodland tree subject. Pure Tree Symmetry uses reflection and symmetrical compositions to create striking visual reinterpretations of the forest tree. Bright vibrant colors and post-processing develops each image into a unique vision of visual art as defined by the work of the author and photographer, John D Williams. Visions of One focuses on the single tree rather than on duality and repetition as seen in the previous section. Each gnarled and wooden tree reveals a beautiful pattern of branches and old weathered wood trunks and bark. The Endless Forest Dream utilizes sweeping forest landscapes to create a dreamlike fantasy vision of the tree in a woodland setting. The vision behind the photograph art book is to move away from conventional perceptions of the tree as a single point of beauty, and instead represent a modern contemporary vision of nature for art fans and art lovers alike. The...
