Reviews

It is one of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Weaving his passion spells, he takes what pleasure he desires from mortal women, leaving them breathless and longing for more. Yet Anne, a young widow he meets by chance, seems impervious to his considerable charms. Something about Anne touches Paul s heart, speaking to a secret part of him he didn t know existed. In a turn of the tables, the warlock finds himself falling hopelessly, absurdly in love with a mortal woman! Desperate for the ethereal beauty, Paul will stop at nothing to possess not only her body, but her heart and soul as well. Anne, in the grip of a magic she doesn t understand, must find the courage to love again. Passion, sensual surrender and magic weave together to create a fiery love story. Drawn into his secret world, Anne learns a few simple spells, never dreaming her newfound magic will help to save her from a stalker intent on holding her hostage. Paul learns there is a price to be paid when magic masquerades as love. Together Anne and Paul learn life without risk, and most especially without love, is no life at all.
