Dostoyevsky's Crime and Punishment provides the underlying theme for Free Shot, a play exploring the idea of whether the human conscience will allow an individual who commits a criminal act to live in peace with himself, even if the crime goes unpunished by the state. Specifically, Free Shot examines what happens when young, irresponsible and unformed lives get tangled in an act of violence that is never addressed by its perpetrator or victim. The plot unfolds in and around the home of Dr. Kate Alexander and her daughter Lauren in Los Angeles. Lauren was raised believing her father died before her birth in an auto accident. Their lives are changed forever when Aaron Kingsley, former NBA All-Star and now coach and AD at a college recruiting Lauren, appears at their door. Kingsley, unaware that Lauren is his daughter, is in LA to persuade her to come east and play for him. However, instead of a star recruit, Kingsley gets a bullet in his gut. An LAPD detective gets involved, personally and professionally, as he uncovers the truth behind Kate's assault on Coach Kingsley. But it is Lauren who must make things right, even if it means risking everything on a single...
