

Icy Sparks

Filesize: 4.86 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Morris Cruickshank)

Penguin Random House LLC, 2001. Softcover. Book Condition: New. A New York Times Notable Book and an early selection of Oprah's Book Club, *Icy Sparks* is the sad, funny and transcendent novel, the tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around Icy Sparks, an unforgettable heroine in the tradition of Scout in *To Kill a Mockingbird* or Will Treed in *Cold Sassy Tree*. At the age of ten, Icy, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"--verbal croaks, groans, and physical spasms--keep afflicting her. As an adult, she will find out she has Tourette's syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up Icy, the book chronicles a difficult, but ultimately hilarious and heartwarming journey, from her first tics to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers--physical, mental, and spiritual--in order to find community and acceptance. Gwyn Hyman Rubio's *Icy Sparks* is a fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique. 336 pages. 2001.
