iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Being single isn't a curse that's meant to be broken. In fact, single is a state of mind and a lifestyle that should be celebrated. In Single-licious, author Tereska Haman presents a thought-provoking, illustrated guide on living single. With humor and insight, Haman provides a checklist of all of the things a single woman can do without a husband or significant other. Single-licious suggests how to: Love yourself by taking pleasure in the simple things that make you happy Reach new heights and goals for a complete, well-rounded life Define the family dynamic in a way that honors your values Create healthy relationships that bring out the best in you Break out of the norm to stretch your imagination and try something new Have the courage to live life on your own terms and by your own rules Based on her experience as a single woman, Haman encourages women to celebrate being single: take your time; live your life; and have fun along the journey.
