Berkley Books, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Anna Bradley presents the first novel in the Sutherland Scandals series, a tantalizing Regency romance filled with the most elegant society--and the most forbidden desires. England, 1811. Delia Somerset despises the privileged ton, but her young sister, Lily, is desperate to escape their family's scandalous past and join high society. Unwilling to upset her sister, Delia reluctantly agrees to attend a party at the Sutherland estate--and avoid the gossip at all costs. Alec Sutherland is known as a hot-headed scoundrel, but nothing gets a rise out of him as much as the news that his brother desires Delia's hand in marriage. She is, after all, the daughter of the London belle who soiled their family name. He's determined to ruin her reputation as well, in the most delicious way possible. It's only a matter of time before he can woo her with his irresistible advances. As Delia devilishly plays along in Alec's game, determined to prove the joke is on him, they inch ever closer to repeating history. And in this game of seductive glances, scandalous whispers, and old debts, the outcome might be much more than either of them anticipated.
