

Black President: The World Will Never Be the Same (Paperback)

By Brenda Hampton

Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Stephen C. Jefferson and the First Lady are prepared to pull you right into the mix. This is a new era, and things in the U.S. are not what they used to be. The man who now holds the keys to the Oval Office was born and raised in the rough streets of St. Louis, where he discovered how to silence his enemies by wielding knowledge and power. Now, his enemies come in the form of a do-nothing Congress, an untrustworthy administration, and a wife with many issues. Still, the harm they intend to do to Mr. President will be no more than what he may inflict upon himself. His brash words, no-nonsense attitude, and sexiest-man-alive status are going to heat up things on Capitol Hill, and mayhem will erupt like you've never seen it before.

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
