BUGS AND INSECTS COLORING BOOK (PAPERBACK)

Young Scholar, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Insects are everywhere! There re those that fly, those that crawl and those that crawl and then develop wings and fly. Fascinating. Introducing the Bugs and Insects coloring book. It s a collection of coloring images of different types of insects to introduce young ones to the world of bugs. Bugs are very interesting and the more we learn about them the better we understand them. This bug and insect coloring book provides a unique opportunity for a child to learn about them as he or she puts coloring pencil to paper. Picking up a coloring pencil and coloring an image by filling in white spaces, puts into play a whole bunch of skills necessary for a child s development which children can only hone with practice. There is an artist in every child and an eager to learn scholar, nourish their effort with this coloring book. Makes a great gift for birthdays and other celebratory occasions.
